

COVID-19 Health & Safety Measures

Welcome to the Mount Tabor House & Garden Tour

Below are the visitor COVID-19 safety guidelines to help orient you and ensure you get the most out of your experience.

The Museum's COVID guidelines apply to all visitors, regardless of vaccination status.

By purchasing a tour from the Mount Tabor Historical Society, you agree to abide by these policies. To ensure that we are providing a safe environment for all, the Society has the following protocols in place:

FACE COVERINGS ARE OPTIONAL FOR VISITORS AND STAFF WHILE INSIDE ANY BUILDING ON THE TOUR

CDC guidelines advise that face coverings should completely cover the mouth and nose, fitting snug against the side of the face.

STAY HOME IF YOU ARE FEELING SICK OR SYMPTOMATIC

Please do not visit the sites on tour if you or anyone in your party have experienced any symptoms related to Covid-19 in the past 5 days.

SOCIAL DISTANCING IS ENCOURAGED

Visitors and staff are encouraged to keep at least 6 feet from others when possible.

LISTEN TO OUR VOLUNTEERS

Mount Tabor Historical Society Volunteers must enforce these guidelines to ensure the safety of everyone on our tour. Please make sure to follow their directions.

WASH HANDS AND USE HAND SANITIZER REGULARLY DURING YOUR VISIT

HAVE A HAPPY AND HEALTHY TOUR EXPERIENCE
